

Tivity Agreement points...

Tivity reimburses Department of Parks & Recreation for certain senior citizen fitness classes and memberships at Snyder Recreational Center

Compensation to city is based on Program Member visits with a maximum cap payment per program participant per month (SilverSneakers and Prime programs only)

Three (3) programs available...

- SilverSneakers - \$2.50 per member visit; cap of \$20/member/month
A fully subsidized program for Medicare, Group Retirees and Older Adults that includes a basic fitness membership
- Prime Program - \$3.50 per member visit; cap of \$30/member/month
A commercial fully subsidized program that includes basic fitness membership
In addition, a thirty (30) minute personalized orientation session or personal training session is included.
- Private Brand Program - \$3.50 per member visit; cap of \$30/member/month
Participant pays a monthly payment to Tivity Health to participate in the program.
A commercial fully subsidized program that includes basic fitness membership
In addition, a thirty (30) minute personalized orientation session or personal training session is included.
- ❖ City agrees to appropriately staff Snyder Center for minimum of 6 hrs/day, Monday-Friday
- ❖ City agrees to deactivate any existing gym/facility (Snyder Center) membership relationship with Program Members (So... you can continue paying for a fitness/swimming membership at Snyder enter if you like... OR... you can elect to join Tivity's SilverSneakers or Prime Program listed above and Tivity reimburses the City for your participation... you pay nothing)
- ❖ This agreement runs for calendar year 2019
- ❖ Agreement will continue thereafter for periods of one year, unless cancelled by 120 days written notice, either party
