Good day all...

There is no Council meeting Tuesday, February 13, because it's the second Tuesday of the month. Coincidentally, it's also Fat Tuesday and the [GCCA Mardi Gras parade](#) rolls at 1:00!

You may have noticed equipment, material, and Hemphill (contractor) crews working at the corner of Highway 90 and Benachi Avenue. The first Hurricane Katrina/FEMA/ infrastructure repair and replacement south of the railroad tracks has begun.

I learned something interesting this past week: Mississippi Power charges the city for their street lights along city roads... whether the lights are lit or burned out. I drove all the roads in Ward 5 since learning that and the ones I reported as dark have been replaced. Still, you never know when the next one will go. To report a burned out street light online, [click here](#).

Did you know there's a Citizens' Representative for complaints and concerns? Mr. Craig Ross can be contacted at 228.435.6271 or [cross@biloxi.ms.us](mailto:cross@biloxi.ms.us).

To report a water, sewer, gas, or drainage emergency after working hours, call Police Dispatch at 228.392.0641.
