Good evening all...

The next Council meeting is Tuesday, June 12, 1:30 p.m., at city hall. [Click here to see the agenda](#)  
Sorry to say that I'll miss this Council meeting; I'm visiting our newest grandson in South Carolina.

**Other meetings...**

The Development Review Committee (DRC) [See agenda](#) (Wednesdays, as necessary)  
The Architectural & Historical Review Commission (AHRC) [See agenda](#) (Second and fourth Thursdays)  
The Planning Commission *Does not meet this week* (First and third Thursdays)

**Scrapin' the Coast, June 22-24...**

Scrapin' the Coast is just around the corner so get ready for hundreds of low riders on Highway 90/Beach Boulevard. The [traffic plan](#) will, for all practical purposes, be the almost the same as Spring Break... cones separating east lanes and west lanes to designate an emergency lane east/west, if needed, for first responders. In past years there has been no need for "venting" traffic due to gridlock and venting is not expected to be implemented for this year's event but that will depend on the traffic. "Neighborhood Passes" (for residents living between the Coliseum and Edgewater Mall) have not been issued to residents in past years, nor will they be this year, since the Coliseum's west parking lot will continue to be used for Scrapin' events. Because there's no "shortcut" through the Coliseum property there's no need for a pass.

Consider [signing up for B-Alert](#) which sends traffic/emergency alerts directly to your cell phone... it's FREE!
