

August 19, 2018

Good afternoon all...

The next Council meeting is Tuesday, August 21, 1:30 p.m., at city hall. [Click here to see the agenda](#)  
There are two Public Hearings scheduled near the top of the agenda: (1) [Construction of a sign/message board in an historic district](#) and (2) [Proposed downtown Façade and Redevelopment Incentive Grant projects concerning several properties on Howard Avenue.](#)

Also, note that there is a Budget Workshop Tuesday, August 21, 10:30 a.m., at city hall. Departments budgets and Non-Departmental requests (Harrison County Library, Coast Transit Authorities, others from the community) will be reviewed. Workshops are public meetings and open to the public. Or, if you prefer, watch the workshop and the Council meeting from the comfort of your home at your computer on the [City of Biloxi's facebook page!](#)

### Other meetings/agendas...

Development Review Committee (DRC) (Wednesdays, as necessary) No meeting Wednesday, August 22  
[Architectural & Historical Review Commission](#) (Second and fourth Thursdays)  
Planning Commission (First and third Thursdays) Next meeting is Thursday, September 6

### Ward 5 meeting...

- ♦ I'm considering a Ward meeting in 6-8 weeks.
- ♦ *Are there particular topics you'd like to be discussed?*
- ♦ Let me hear from you!

### Council meetings now streamed live on facebook...

Expect future council meetings to be streamed in real time on the City of Biloxi's facebook page. The first "broadcast" was at Tuesday's budget workshop; audio improvements, I'm told, are in the works for future broadcasts. Ward 7 Councilman Nathan Barrett prompted this action when he asked last week why the city couldn't record and play meetings of the city council. ### What if I receive a Notice of Violation (NOV) from the Code Enforcement office?

The city's Code Enforcement Officers issue a Notice of Violation (NOV) when they observe a violation of city code or receive a complaint from citizens.

The most common violation, based on my experience, is uncut grass. Neighbors might phone such a complaint in or a Code Enforcement Officer may notice the high grass. A Notice of Violation is then issued to the resident. Ten (10) days later the code enforcement officer will examine the issue to see if it's been corrected. If it has been corrected, the matter is documented and filed; no charges are pursued.

If the violation has not been corrected, a Citation Summon will be issued for the violator to appear in Municipal Court on the date noted in the Summon. Violations not corrected may be pursued by civil and criminal action.
