## Seasonal Fireworks Sales, Sect. 23-4-3(D)(8)(m)...

The [proposed revision to the city's seasonal fireworks sales ordinance](#) was tabled, subject to call. There was some discussion about the fact that [firework sales are now permitted in the city limits, yet the possession of fireworks is unlawful](#). Council discussion raised the possibility that the sale of fireworks might possibly be prohibited altogether, or, that the discharge of fireworks might be permitted on certain days only.
