▶ Noticing all the fireworks litter on the beach July 5th reminded me of a [Tabled resolution](#) that would lawfully permit fireworks to be discharged in the Biloxi on July 4 and New Year's Eve/Day. Currently, it's lawful to sell fireworks *but* unlawful to discharge them in the city limits. I expect the city council to take up this matter again soon. *Are you in favor or opposed to this Resolution?* Let me know; please note your reasons.

▶ *Interested in attending the city's budget workshops to observe the discussions and Q & A related to projected revenue and spending your tax dollars for next fiscal year?* [Click here for dates & times](#) Can't make those workshops? Not to worry, I'll post the handouts and video links on [my website](#), the [Useful Links](#) page.
