

Ward 5 eblast

Sunday, February 27, 2022

This month marks the beginning of Year 5 for the Ward 5 eblast. (To my knowledge, I'm the only city official on the coast that publishes a weekly newsletter.) My hope is that you continue to find it informative and helpful. [See past issues](#)

Tolling the Popp's Ferry bridge... [Background \(Keith Wilson\).](#)

Considering having United Bridge Partners build a new 4-lane Popp's Ferry bridge to be financed with a toll is not likely to happen, in my opinion. The company has proposed fully funding, designing, constructing, operating and maintaining a new Popp's Ferry bridge to be paid for by toll. I just don't believe there's enough support for the proposal.

Mardi Gras safety tips... [Read more safety tips...](#)

Anticipate traffic delays; obey law enforcement officers at intersections. Park only in legal parking spaces; fire trucks require a wide berth. Do not park too close to the railroad tracks; your vehicle might be towed. No parking is allowed in the cemetery, north or south of the railroad tracks. Do not attempt to operate a vehicle if you're under the influence of alcohol.
