

Ward 5 eblast

Sunday, May 1, 2022

It's that time of the year when we begin to see termite swarms. *What to do?* Turn off outside lights at night, close your curtains or pull down your window shades because termites are drawn to light sources at night. You might consider contacting a pest control company if they're swarming inside your home.

Paul

Councilman, Ward 5

228.297.6800
