Garbage, trash, or recycled items weren't picked up... **Call it in!**

First, a few things to know. Waste Management has the garbage and recycling contract; Pelican Waste has the trash contract. *Second*, the garbage and trash trucks have video cameras. So, carts not curbside when the trucks come by are not obligated to return and empty the carts until the next scheduled pick up. If it's their fault they missed you, they'll return to empty the carts. *Third*, contractors are financially penalized for carts they miss during pick up. If your carts were curbside prior to pick up but were not emptied, call 228.701.9086 and let them know they missed you! (Remember that both contractors can verify with video whether or not your carts/trash were curbside when they came by to empty your carts.) Since pick up times may vary, it's best to put your carts curbside the night before. *Fourth*, I include the phone number to call in every Ward 5 eblast; it's in the column to the left.
