Grandview Drive will be closed Monday, November 14, beginning 7:00 a.m., and will remain closed until Thursday, November 17, at 5:00 p.m. during which the Breeze Point storm drain lines will be tied into the existing underground storm drainage system. During this closure, residents of Grande View Apartments will follow the temporary detour signs to Briarfield Avenue for exit and entry. Dump trucks and other construction vehicles for Breeze Point will continue to enter through the south entrance of Grandview Drive; there should be no construction traffic on Briarfield Avenue. Temporary detour signs will be placed along the city right of way to direct the residents of Grandview to the alternate entrance.
