Why Keith Wilson's link is under the Bits & Pieces section...

Very few of you, if any, have met Keith Wilson but you can get to know him a bit better by checking out his [facebook page](#). Why do that? Because he's a local, independent newsman who regularly covers city council meetings and calls 'em as he sees 'em. And... he's a gentleman.

Boardwalk, Phase 2...

West Biloxi boardwalk, is now under construction, from west to east, Camellia Street to Veterans Avenue, where phase 1 ended.
