Good morning all...

[Council minutes can be found online at the city's website.](#) Due to the initiative of the Council Clerks, you no longer have to wait 6-8 months for the minutes to be posted online. The wait time has been reduced to about 3 weeks. *Thank you, ladies!*

Buck Theater, Lameuse St, Biloxi, 1950s... destroyed by fire in 1965

To my friends in the "North Project" Infrastructure Repair area...

The North Project is that part of the Biloxi north of the railroad tracks, from Forrest Avenue east to Point Cadet.

Oscar Renda Contracting's latest update, 06/24/20:

- (1) They have crews in all areas working on restoration, landscaping, fencing, and clean-up;
- (2) Preparations are being made for the final surface course of asphalt on remaining streets west and east of Caillavet Avenue;
- (3) Final walk-throughs and punch list items in all phases of the project are now in progress.

If you have a standard service request (damaged fence, unfinished retaining wall, sewer backing up, etc.), contact Lakesha Williams, 228.435.6269 or lwilliams@biloxi.ms.us.

If your issue is an insurance claim (damage to home, foundation damage, damage to car, etc.), contact Craig Ross, 228.435.6271 or cross@biloxi.ms.us.

The city administration will conduct the first of several budget workshops with the Council this Tuesday, 4:00, at city hall. These workshops are open to the public (distancing and masks, please, if you attend). You can also view the workshop, as well as Council meetings live by [clicking here](#), or [catch it later by clicking here](#). This workshop's topic will be Revenue.
