

Ward 5 eblast

Sunday, November 29, 2020

Good morning all...

Please continue to be patient concerning hurricane debris pickup where you live. The contracted debris hauler will get to you! As I write this, the contractor is still on the first of two passes.

The city's technology department now has a [dashboard that tracks pickups](#) and [I've made my concerns known to the city administration](#).

Ward 5 meetings... too many, too few, or just right? [02/27/20](#) [10/12/20](#)

I regularly schedule two (2) ward meetings annually, spring (late February or early March, before Spring Break) and fall (usually September, before Cruisin' the Coast). And, I solicit topics you'd like to see covered during our ward meetings. *Would you prefer three (3) ward meetings annually?* I'm happy to oblige; let me know with an email, call, or text. Thank you.
