Railroad crossings to close permanently...

Tomorrow two railroad crossings in east Biloxi, Dorries Street and Nixon Street, will close permanently. No closure dates have been announced for four other railroad crossings in east Biloxi: Delauney Street, Querens Avenue, Iroquois Street and Holley Street. The city and CSX Railroad came to agreement 18 months ago to close six crossings and create two new crossings at a future date yet to be determined, one for the Popp's Ferry Road extension and the other for the extension of Pine Street.
