Water bill update...

About a year ago some were complaining (rightly so) about receiving your water bill a few days prior to, or on, the payment due date. You now receive your bill almost 2 weeks before the due date! Please note another item, the HCUA Debt Reduction, that reduces your bill a tad, due to refinancing by [HCUA](#). Enclosed payment envelopes? Still working on it...

Walkway from small craft harbor east to Oak Street...

Work continues moving forward on the concrete walkway currently under construction between Oak Street and the city's small craft harbor. The project is being funded with a [GOMESA grant](#).
