

Ward 5 eblast

Sunday, July 17, 2022

The city administration has been doing preliminary work on the F2023 budget. A budget workshop, to cover projected revenue for FY2023, will immediately follow Tuesday's Council meeting. As always, I'll post documents and links to the workshop video on my website and in my eblasts. To see last year's budget FY2022 documents, [click here](#)... the green text in the middle column.
