- 1) Buy online, pick up in store... Target, Walmart, Home Depot, and Lowe's allow you to make purchases online and pick them up in person from a dedicated counter in their store.
- 2) Sign up for shipping notifications... Major carriers like USPS, FedEx, and UPS offer txt and email notifications so you can track the whereabouts of your items. Most will even hold package deliveries while you're out of town. You might have all midweek USPS deliveries held until Saturdays, when you know you'll be home.
