Good evening,

Sun, Dec 11, 9:32 PM

I spoke with the Director of Public Works earlier today. We're hopeful that water sample test results related to the Boil Water Notice will be received by the city sometime Monday afternoon... possibly Tuesday afternoon... that will lead to a lifting of the Boil Water Notice.

See the [Boil Water Alert from the Mississippi State Department of Health](#).

Note the Checklist for Safe Water Use and When Your Boil Water Notice is Lifted sections in the alert.
