Holloway Sports Complex bids...

Major drainage improvements to the soccer/football fields and installation of synthetic turf at Holloway Sports Complex are in a holding pattern. Bids were received April 26th but all were rejected for exceeding the project's budget (\$5M). The project's being readvertised; June 28th bids are opened.

Pics on my website...

If you head to [my website](#), you'll notice a picture carousel in the top left corner... old pics of Biloxi churches (they rotate every 2-3 seconds). If you double-click on the pic, a window opens and you'll be able to spend more time examining each photo that appears in the carousel.
