Saturday, May 4, 2024

Beauvoir Road is now open to traffic! Work to connect water and sewer lines was completed yesterday afternoon along with a final layer of asphalt. You no longer have to dodge that manhole cover or two as you approach Hwy 90 Intersection!

Biloxi has legalized the use of approved low-speed vehicles, primarily golf carts, on city streets with limits of 25 mph or lower but it's not just a matter of jumping in the golf cart and driving down the street. Before being used legally, golf carts must be inspected by the police department and must have required safety features. The process includes an on-site inspection. After a successful inspection, the applicant must pay a \$75 fee at the police department before the annual registration sticker is installed.
