Crime Stoppers, how it works...

[Crime Stoppers website](#)

Crime Stoppers partners with the community, law enforcement, and the media to help solve and prevent crime. It's an avenue for citizens to get information to law enforcement anonymously. (1) Contact Crime Stoppers if you have information that could help solve a crime. (2) When you report your crime tip, you will receive a tip number. Don't lose this number or give it to anyone else. Your tip number is the only way of following up and receiving a reward. (3) Your tip is sent to law enforcement for investigation. (4) If your tip helps lead to an arrest, check back with the Crime Stoppers for the reward amount and anonymous pick-up instructions.
