

Bay Vista Waterline Replacement Project

The City of Biloxi's Bay Vista Subdivision Replacement Project is coming to your area. We want to make you aware of the potential impacts to your neighborhood.

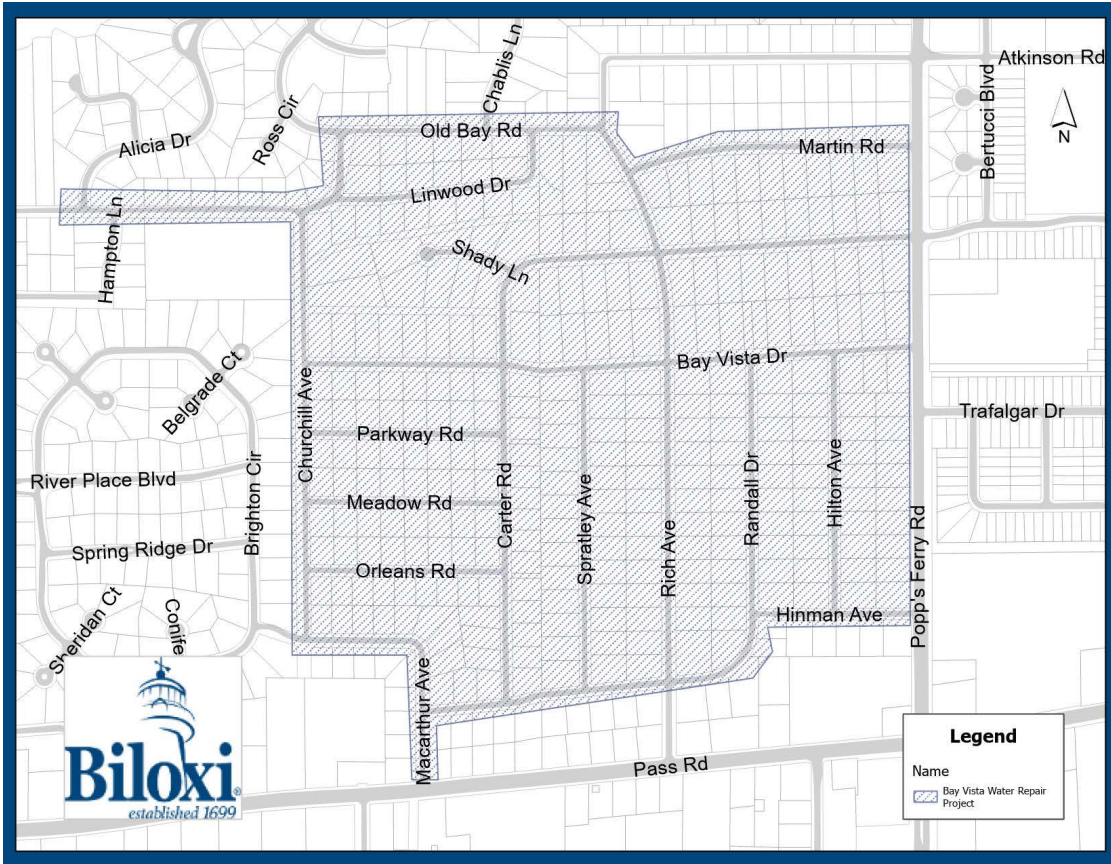

The construction will take place south of Old Bay Road, west of Popp's Ferry Road, north of Pass Road and west of Churchill Avenue. The project includes the installation of new water mains and abandoning the existing outdated water mains.

The contractor for this \$3.3 million project is DNA Underground, LLC. Work on this 300 day contract on May 1, 2025 and is expected to be finished by March 1, 2026.

If you have any questions or concerns during this project please contact Robert Smith of the City of Biloxi Engineering Department at 228-435-6269 or you may email engineering@biloxi.ms.us.

Thank you in advance for your patience while we complete this much needed upgrade to the water system in your area.
