

# Ward 5 eblast

Saturday, June 6, 2026

Please note that [my webpage](#) is updated periodically; hopefully you'll find it informative and helpful. It's a simple layout: Calendar on the left, info in the center, and topics (frequently asked about) on the right. Links to the other pages are easy to find (Useful Links and Archives). Check it out!

## Garbage and trash pickup reminder... [Harrison County Utility Authority](#)

- ▶ Carts should be curbside by 6:00 AM on your designated service day with the lid completely closed and the handle facing toward your home.
- ▶ Maintain at least 5 feet of clearance on all sides of your cart from vehicles, mailboxes, shrubbery, and fire hydrants so automated truck arms can safely grip the bins.
- ▶ All household garbage inside your primary brown or green cart must be securely bagged. Loose garbage or unbagged yard debris (such as grass clippings and leaves) left outside of the carts will be bypassed by drivers.
- ▶ Bulky trash, tree limbs, and wood waste handled by Pelican Waste should be piled neatly next to one another at the curb, but never mixed together or placed on top of household trash.
- ▶ [Solid waste collection guidelines](#)
- To request a cart repair: (1) Call Customer Service: Dial (228) 701-9086 to access the dedicated solid waste service line. (2) Select Option 1: Press 1 to be connected to Waste Management, who manages the carts and maintenance requests. (3) Report the Damage: Provide them with your address and details regarding the damage to schedule your free service.
